Don't forget our Special Western Iowa Precondition Auction
Friday, December 17th @ 10:30
2500 Head of All Weaned/Vaccinated Cattle

The majority of beef producers want and support mandatory country of origin labeling. Why can't we get it passed? The National Cattlemen actively lobby against M-COOL. They've even convinced our own state association not to endorse it. How sad that a majority of Beef Check Off money, at last count approximately 37 million every year, ends up in NCBA's hands. It's crazy what we've allowed to happen. Our sympathy goes out to the Ron Bieri family on the passing of their patriarch Otmar. May he rest in peace.

Fed Cattle/Weigh Cows: Tuesday, Dec. 7th:

It's been years since we've seen prices like this past week. My guess is that the packers will dig in and use all their tools to not let this market get away from them. Packers still are buying cattle \$40 under the cut outs. A historical insanity high figure weigh cows are starting to work higher as the western runs are running short and the southern cow supplies are really tightening.

WEIGH COWS 317 hd	FAT CATTLE 244 hd	Strs	Hftrs
Fed Cows \$70-\$90	Top	\$145.25	\$138.25
Bulk Cows \$53-\$63	Choice	\$137-\$143.25	\$134-\$138.25

High Yield Bulls \$90-\$98	2-Ways	\$No Test	\$No Test
Bulk of Bulls \$83-\$93	Choice Holsteins	\$100-\$115	
Cutting Bulls \$No Test	Select Holsteins	\$No Test	
Preg open hftrs \$115-\$130	Fat Hftrs	\$90-\$105	
Hftrs \$70-\$100			

Wednesday, December 8th:

Denny Topf's Cow Sale was very active. The majority of young cows and bred hftrs traded \$1900-\$2100.

Feeders on Friday, December 10th:

We sold over 1400 Feeders Friday on a very active market. Several quality calves with a number of them off the cow. Vaccination status and flesh conditions become huge for determination of price. Here are a few results:

8 Hftrs 463# - \$170.50	18 Hftrs 512# - \$166.50	101 Hftrs 794# - \$156.10

Looking back over the last 20 years, I can't believe how our fearless leaders that got elected to the House and the Senate were broke to worth thousands. Today most are worth millions. In fact, I heard Nancy bought a house for 25 million in Florida. Not too bad for making \$185,000 a year. If she would feed cattle she wouldn't have so much or maybe we would have better representation in the cattle industry.

Say a prayer for all the families that were in the tornadoes. Looking at that mess before the holidays, do we really have any problems? Our sincere sympathy goes out to the Ron Bierl families of the passing of O.J., Ron's dad. Not quite 100 but he lived life to the fullest and will be missed by all.
