Caiden Hicks

Dear Santa,
Merry Christmas!
Thank you for sending us Chester the Elf on the shelf again this year. He sure is naughty some days!

I've tried my hardest to be a good boy this year, but it's really tough sometimes! For Christmas I'd like a electric blanket, legos, electric toothbrush, some science kits and whatever else you would like to bring me. Could you bring my niece Jaylynn a new babydoll and her daddy Jayde a new hat? My sister Courtnee and brother Cam haven't been as good as me, so they deserve coal in their stockings! Well, I suppose since it's Christmas time they deserve a little something, but I should get more gifts then them! Please bring my mom and dad a gift too they both have been extra nice this year!!

We will leave milk and cookies on the special plate that we bought just for you! Have a safe trip and can't wait for Christmas morning!

Love, Caiden Hicks
