Congratulations to the Staff of Elm Crest Health Center

“★★★★”

For Receiving a 4-STAR Quality Rating From Medicare.gov

American Baptist Homes of the Midwest (ABHM), parent company of Elm Crest Senior Living Community, congratulates Elm Crest's Health Center on being awarded a 4-Star rating by the Center for Medicaid and Medicare Services (CMS.gov).

The 4-Star rating is awarded only after a community is considered overall above average considering staffing levels, quality measures and health inspection. Tim O'Brien, ABHM's V.P. of Quality Services, states "achieving this level of excellence clearly illustrates Elm Crest's dedication and commitment to delivering superior service to residents in the Harlan area."
