MISCELLANEOUS

Hay and Straw will sell at 10:00 a.m.

Well, it was just like old times - Staley's steaks were fantastic at the Crawford County Cattleman's Banquet. Record crowd and record trophy auction. It was nice to see people out and doing what they wanted to do. When you sit back and think how much money is being sent to whoever for whatever, it should and does scare the hell out of me. What state will we sell 1st? New York, California or maybe both and we'll throw in Washington D.C. for a boot. Debt is debt and as a person, I know banks or investors want their money back or you are bye-bye. Where will repayment of this debt come from? That's right - from the good people that DO WORK.
