DUNLAP LIVESTOCK AUCTION

701 Hwy 30 W, Dunlap, IA 51529, 712-643-5761

Sale Times for Tuesday, August 25th @ 9:00 am Fed Cattle, followed by weigh cows & bulls, Feeder Cattle @ 12:30 pm then Bred Cows/Pairs/ Breeding Bulls

I've been asked to attend R-Calf's Annual meeting this week in Deadwood, South Dakota. I'm very interested to hear a rancher's perspective on what's going on in today's industry. A couple of weeks ago some of Iowa's top leaders went to the NCBA summer meeting pushing Senator Grassley's 50/40 Competition bill mandating more cash trade in the fed cattle sector. That push at the NCBA meeting was shot down because as NCBA puts it "we don't want government mandates"! NCBA did adopt policy to mandate a mandatory National ID program. This government over reach & bureaucratic nightmare will cost billions of dollars to enact and enforce with no direct benefit. We cannot let the corporate structure take over & eliminate the independent nature of our industry. Please ask NCBA who profits from a National ID program and do they contribute to your association? The trail of money and complete lack of concern for the independent producer is truly sickening!

Fed Cattle/Weigh Cows Tues., August 11th:

Fed cattle were \$1-2 higher again this week. As of now the fed cattle trade sure has a good feel too it. Weigh cows sold off pretty hard. Most downward pressure on the lean cows. Hopefully we won't see the complete collapse that was last fall's weigh cow trade!

WEIGH COWS 219 hd	FAT CATTLE 149 hd	Strs	Hfrs
Fed Cows \$68-\$74	Top \$107		\$106

Bred Cow/Pairs, Tues., August 11th:

We had 175 cows & pairs Tuesday. Top fall calving bred's brought \$1535. Cow market has remained active. If you have any to move please let us know & we'd be happy to visit about your marketing plans.

PAULEY BROS. ANNUAL FALL MACHINERY SALE
TUESDAY, AUGUST 25TH • 9AM

Well, it looks like after Jan. 12th, 2021 no matter what you want, we will all be wearing masks. Another freedom of choice gone. We can play high school football but no college. Don't understand that.

In Respect...why do we have to stop living to live? If nobody attends PRO Sports, College Sports, ect... their bank accounts could overflow. No need for another hand out. It's not really how much you make, it's what you save.

With the election coming, I wish someone would address the real problems. National Deficit Spending.... How much will taxes go up.... Will the death tax come back..... Health Insurance... The Borders....? Remember the only place to get money is from the people that have the money. You can't get blood out of a turnip. Maybe in 4 yrs we will all be equally broke. Can't wait to get on the bus. I don't think we know how good we have it.
